**If you have dry skin, use 1/3 Miracle Soap and 2/3 Miracle Neutralizer instead of the regular mix, or mix 1 ounce of Miracle Moisturizer in a bottle of Miracle Soap or use the Moisturizing Soap.*

**You may not know this. Most bath and shower soaps are over 80% animal fat or lard (pig...pig...pig). It stands to reason, you cannot bathe with a pig and live a healthy life because bar soap is something that is Dead. Change to Miracle II for 30 days. If you are not totally satisfied after an honest 30 day test, Miracle II will not cost you anything.*

Laundry & Therapeutic Ball

GOD'S SIMPLE LAW OF PHYSICS:

God is the only one that could do something to water so we could have a perfect natural solution for cleaning our clothes without using soaps and detergents and no need for static and fabric softener.

Two Hundred and nine spikes are on the M-II Ball. They are specially designed to gently scrub and massage your clothes with loving care as it bobs around in your washing machine.

I suggest you using Miracle II Soap to pretreat stains. For clothes with grease on them, use a half ounce of the green Miracle II Soap with the M-II Laundry Ball. If you insist on using bleaches and detergents, you can cut back to 25% of the volume, saving you 75% of the cost!

Bleach will not hurt the M-II Laundry Ball. If you want whites really white, use about 1 cup of vinegar with 1 ounce of the green Miracle II Soap and the M-II Laundry Ball.

Some stains simply will not come out, this is a simple fact. Even with this in mind, use the M-II Laundry Ball along with Miracle II Soap and 99.99% of your stains and dirt will be removed.

This is another spiritually revealed product from God. You need no other cleaning products when you use Miracle II products and the M-II Laundry Ball.

You can do all your laundry for about \$1.44 per month - for the next 3 years.

After 3 years, its free! We don't no how long it will last, maybe the rest of your life. Now that's a bargain! We have no way of knowing how long the plastic ball will last. We do know, however, that the cleaning energy inside the ball will last for the rest of your life. If the plastic fails in the first three years it will be replaced for only a shipping charge of \$5. How much more could you want in a product? Washing your clothes this way is a Miracle for the whole family, especially the ones with chemically sensitive skin and allergies.

Babies and adults that are allergic to all chemicals and soap can bathe with just the M-II Laundry Ball and water in the tub. This has been reported by many people.

Give it a try!!!

This will be a Miracle Product for you!
